SUMMARY

Motivated Computer Science Engineering student specializing in Cloud-Based Applications. Seeking to leverage technical skills in developing and deploying AI-powered and cloud-integrated web applications, while continuously learning and growing in real-world environments.

EDUCATION

Government Polytechnic <i>Diploma in Electronics and communication</i>	Ahmedabad, IN 2018 – 2021
Ganpat University <i>B.Tech CSE with specialization in Cloud-Based Applications</i>	Kherva, IN 2023 – 2026

EXPERIENCE

Summer Intern <i>IBhavan</i>	June 2024 – July 2024 Ahmedabad, IN
- Successfully completed a one-month Cloud Computing internship at IBhavan, gaining hands-on experience with AWS projects - Worked on AWS projects and presentations - Obtained AWS Cloud Practitioner certification, demonstrating foundational cloud expertise	

PROJECTS

Fitness Tracker <i>Python, Flask, HTML, CSS, MongoDB, Docker</i>	June 2024 – July 2024
- Designed and deployed a full-stack web application using Flask, Python, with MongoDB, enhancing user experience - Designed and developed an admin interface allowing administrators to dynamically add and manage users' daily tasks - Designed a data visualisation system leveraging GitHub metrics to track team engagement and code contribution growth - Built a Fitness Tracker app to automate tracking of daily routines and workouts, boosting user engagement and health insights	
Image Colorization using deoldify <i>Python, Git</i>	September 2024
- Designed and deployed a Flask-based website integrating neural networks for automated image colorization, achieving 90 percent accuracy on test datasets - Engineered and managed Git-based repositories for an AI-powered image colorization system, streamlining collaboration and version control	

TECHNICAL SKILLS

Languages: Python, C/C++, SQL, NoSQL, JavaScript, HTML/CSS
Frameworks: Node.js, Flask
Developer Tools: Git, Docker, Google Cloud Platform, VS Code, Visual Studio, PyCharm, REST APIs
Libraries: scikit-learn, pandas, NumPy, Matplotlib

CERTIFICATION

AWS Cloud Quest: Cloud Practitioner - AWS Skill Builder
AWS Cloud Quest: AWS Technical Essentials - AWS Skill Builder
Digital Course: AWS Cloud Practitioner Essentials - AWS Skill Builder
